STENCIL

How to Use

A stencil acts as a visual guide, allowing you to preview how different colors, patterns, and textures will look on your laminate surface. Simply position the stencil over the laminate, ensuring it's aligned properly, to get a clear idea of how your chosen designs will appear. This tool helps in making informed decisions by letting you explore multiple combinations before making your final selection.

ANTI FINGERPRINT LAMINATE

ANTI FINGERPRINT

The **Virgo anti-fingerprint** feature keeps surfaces immaculate, even with everyday use. Engineered with advanced Nano technology, these laminates and compacts are designed to be touched while effortlessly repelling oil, light stains, and fingerprints. Their silky, matte finish exudes elegance while offering a luxurious feel.

Beyond their visual appeal, these surfaces deliver exceptional performance, including anti-bacterial, anti-viral, hydro-resistant, mold-resistant, and scratch-resistant properties. This ensures effortless maintenance and long-lasting durability. Elevate your interiors with a perfect blend of sophisticated design and functional innovation.
